VILLAGE OF BOYLE GAS UTILITY SALE

The Alberta Utilities Commission (AUC) issued Decision 28831-D01-2024, approving the sale of the Village of Boyle Gas Utility to Apex Utilities Inc.

As of September 1, 2024, Apex Utilities Inc. will be the owner of the natural gas distribution system in Boyle and provider of natural gas to our residents.

The Village sent out an Apex welcome and information package to all Boyle gas utility customers in August. A copy of this letter can be found on our website at

www.boylealberta.ca

There will be one last bill for natural gas from the Village of Boyle for the month of August (due Sept. 30, 2024). Any outstanding amount after 90 days will be transferred to property taxes.

Property Tax Incentives Bylaw 05-24

If you are looking to build a new home, upgrade your commercial building or build new, and find a way to attract a new business to rent your vacant building space, then the Village of Boyle has a tax incentive program to help you achieve these development goals.

The bylaw provides property Tax Incentives in the following categories:

- 1) Non-residential property tax exemptions for new buildings, and expansion and refurbishment of existing buildings.
- 2) Non-residential property tax exemptions for new businesses in vacant buildings.
- 3) Residential property tax exemptions for new residential housing development.

For full details go to www.boylealberta.ca/bylaws-policies or contact warren@boylealberta.com or call 780-689-3643.
