

Municipal Policy Manual

CODE: 10-10

CATEGORY: Community Spirit Award

RATIONALE:

The Village is blessed to have many community members (both individuals and groups) who personify the idea of Community Spirit. With their many selfless acts in support of our community, these community members help to make the Boyle Area a positive and friendly place to live.

The Village Council has established the "Boyle Community Spirit Award" in an attempt to recognize these community members.

GUIDELINES:

Each year the Village Council will advertise the second and third weeks in November, and receive nominations until December 1st from the community recognizing those individuals or groups that have made some special contribution throughout the year to our community as a whole. A decision will be made at the first December Council Meeting upon review of the nominations as to who the recipient of the "Boyle Community Spirit Award" will be, and this award will be presented to the recipient(s) at the first meeting in January of each year.

POLICY DATE:
January 06, 2011
