

NATIONAL VOLUNTEER WEEK

April 21-27, 2024

The Village of Boyle wishes to recognize community members who volunteer in our community. We are updating the Village of Boyle website and would love to add new pictures acknowledging volunteers. If you want to recognize a volunteer, please send your images and or written acknowledgments to corrine@boylealberta.com by April 17, 2024. With each submission a completed media release form must be submitted to authorize the use of the images.

Let's all work together recognizing the Volunteers who work tirelessly to make our Village a Community to be proud of.
