SNOW REMOVAL ON SIDEWALKS

As the winter months are here, please remember it is each homeowner's and business owner's responsibility to keep your sidewalks free of ice and snow buildup. Please clear sidewalks of snow and ice as soon as reasonably possible. **Please ensure when removing snow that you place the snow on your own property and not the road. Thank you.**

THE DIRTY DOZEN

**Please do not put the Dirty Dozen
down your toilets & sinks**

Snow Removal

We will now be removing snow not plowing snow. The process of snow removal is expected to reduce the issues with berm build up over the season. **Please watch for snow removal signage. We are asking that you do not park on the street if you see signage for snow removal on your street.** We will be actively removing snow both during the day and night as necessary.
