PROPERTY TAX ARREARS

Any unpaid property taxes are due December 31, 2024, end of the business day or a penalty of 18% will be applied. Any payments in the drop-box on the morning of January 2nd will be processed without penalty.

PRE-AUTHORIZED WITHDRAWS FOR PROPERTY TAXES

Do you want to alleviate your large tax bill due in August?

Come down to our office in January and set up a preauthorized payment plan. We divide your tax bill into 12 equal payments which would be due on the 28th of each month.

If you have any questions or concerns, please don't hesitate to call our office at 780-689-3643

SNOW REMOVAL ON SIDEWALKS

As the winter months are here, please remember it is each homeowner's and business owner's responsibility to keep your sidewalks free of ice and snow buildup. Please clear sidewalks of snow and ice as soon as reasonably possible.

Please ensure when removing snow that you place the snow on your own property and not the road. Thank you.

Snow Removal

Please watch for snow removal signage. We are asking that you do not park on the street if you see signage for snow removal on your street. We will be actively removing snow both during the day and night as necessary.

Thank you in advance for your patience as we are developing new procedures and processes for snow removal.
